**From Mrs Busari**

Firstly a huge well done to our Year 6 children who took their SATs tests last week. We are so proud of them. They took the tests in their stride and tried their best, which is all we ask of them. We don't know the results until the middle of July, but will share these with the children and parents when we receive them.

Over the next two weeks, Year 2 will be doing their SATs tests. These are less formal than the Year 6 SATs, but are still done like tests to see what the children can complete independently. The results of these are then used alongside teacher assessments of the children to give the children's end of KS1 SATs results. These will be reported in the end of year report to parents.

We have received a donation of Big Life Journals for our children in Years 3 – 6. This was following a parent nomination at Cosgrove. As a result, we have been given a box of lovely journals, which will be given out to the children to bring home later this week. The children should have a journal buddy at home (a parent/grandparent) who they can show their journal to and share some of the activities with. We hope the children find them useful.

I hope that you all have a lovely week in school.

With best wishes

Jude Busari
