Last day of term

From Mrs Busari

With only 6 weeks left of the school year, we seem to have lots to fit in. Please check the list of dates above for key dates and further information will follow as events get nearer. This week the Juniors will come home with a letter about a trip to Hazard Alley Safety Centre, please look out for this.

On Wednesday evening we have the parent information session about our proposed trip to Osmington Bay in Dorset. This is for March 2024. The Year 2-5 children brought home a letter last week and we have the session on Zoom at 6.30pm on Wednesday. If you would like the invitation sending to you, please email and let us know and we will send them out on Wednesday. If you have had an older child already go and don't wish to attend the session, that is no problem, we will still send the booking letter to all children after the Zoom so you will be able to book a place if required. I know some parents of the younger children are concerned around the length of the visit and the distance from home. We will be offering the same visit again in 2 years time and so if you feel your child is not ready yet, we completely understand and support parental choices with this.

I hope that you all have a lovely week in school. Celebration assembly with resume on Friday 16th June, don't forget to bring in any home awards or achievements.

With best wishes,

Jude Busari
