**Fri 15th Sept
Wed 13th Sept
Thurs 12th Oct**

**Celebration Assembly
Sports Club begins for this term
Open day for Yr R parents**

It has been a lovely, positive start to the school year. There is a real buzz around school with lots of new people joining who are settling in really well. The children have been starting to find out what topics they will be learning about this term and we will be sending out our usual learning webs next week so that you can see what we are doing and help support at home.

We are looking forward to our first celebration assembly next Friday at 9am. Parents and families are always very welcome to attend. They usually lasts around 20 minutes and are a good opportunity to hear about some of the things that have been happening in school, as well as joining in with some singing! If your child has any home awards or achievements, which they would like to share, please bring them in on the morning and pop them on the table at the front for us to share in assembly.

Attached to the newsletter this week is an advert for the Cosgrove Primary School Autumn Fair which you are all warmly welcome to attend. It is on the school field and in the hall and there are usually a good selection of rides and stalls. Please feel free to share this on social media to get the word out in the local area.

Sports Club will resume this week. Art Club is not starting just yet. If you would like your child to participate in Sports Club, it runs on Wednesday 3.15-4.15pm in school and run by coach Paul. There is no cost for the session and it is open to all year groups. Please email the office to book your child's place for the term up until Christmas.

We have had a reported case of headlice in school, please could we ask parents to check children carefully for them. It really helps if all parents work together to check and treat cases. Thank you for your support with this.

Finally, we have a vacancy for a parent governor. If you are interested in this role, please catch me for a discussion about what the role entails. It usually means attendance at 4 meetings per year (evenings), reading of documents to prepare for the meetings and then some additional visits into school during the school day when work schedules allow.

I hope that you all have a lovely week in school,

With best wishes
Jude Busari
