From Mrs Busari

We had a lovely first week back in school after half term. The children have settled in well into their learning. Please could you make sure children have named coats with them in school now that the colder weather is upon us.

You will have noticed our new playground markings, which were completed over the half term break. During the time that they are "broken in" they can be slippery in wet weather. Please be mindful of this if you are coming into school across the playground. Hopefully they will soon be fully worn.

The children have been enjoying their "Hot Chocolate with the Head" treat for being star of the week. The next session will be 17th November. If your child is absent and misses their hot chocolate session, don't worry – we will put them into the next session and ensure they don't miss out.

We have our open evening on Tuesday at 6pm. This is for people looking for Reception places for September 2024. Anyone looking for an in-year transfer from another school is also welcome to come and have a look around, they just need to ring the office to book in. Please spread the word and let your friends and families know, share it on local social media village pages to get the word out there in the local area. Your help with this is much appreciated.

I hope that you all have a lovely week in school.

With best wishes

Jude Busari
