The weeks are flying by and we are already starting to think ahead to our Christmas preparations. We will be producing our annual Nativity, which this year is called 'A King is Born'. The children have been asked who would like a spoken part and who wouldn't and this week we will be allocating parts and giving out scripts. If your child has a spoken part, if you could support them with learning their lines at home, this would be much appreciated. For the first few weeks whilst they are learning their parts, scripts should be brought into school each day in case there is any practice planned.

We will be working out what costumes we need and will be in touch to let you know if we need any outfits sent in from home. We have a good collection of the standard costumes, so hopefully we won't need too many things bringing in and will try and give lots of notice.

On Friday next week it is Children in Need. To raise money for this great cause, we invite children to come in mufti in return for a donation. We will then arrange sending our donations on. We will send out a reminder on Thursday as the weeks seem very busy.

Finally, we have our last open session for Reception 2024 parents – this is on Thursday at 2pm. Please share this with your friends and families and ask them to book in at the office if they would like to come and see our school.

I hope you have a lovely week in school.

With best wishes,

Jude Busari
