Celebration Assembly**

**From Mrs Busari**

Welcome back to the new term. It was great to see all the children back in school last week and focused on their learning.

Our after school clubs resume this week – see details below:-

Sports Club – Wednesdays 3.15-4.15pm – with coach Paul. All year groups are welcome.

Craft Club – Thursdays 3.15-4.30pm – with Fi and Mrs Nott. All year groups are welcome.

**If you would like to book your child a place on one of the clubs, please let us know and we will put their name down. Places are limited, so please let us know asap to ensure they are booked in.**

Our first celebration assembly of the year will be on Friday 12th January. As always, parents are very welcome to come and share the celebrations for the week. Remember you can bring in home awards and achievements too so we can see what your children have been up to out of school.

Finally, we welcome Miss Rose to the school staff who has started working as a teaching assistant in the Juniors.

I hope that you have a lovely first full week back in school.

With best wishes

Jude Busari

***Christmas Service***

*As a governor of the school, I was pleased to attend the end of year church service, which was a delightful occasion. Mrs Busari reminded us of the true message of Christmas and encouraged us to remember that the birth of Jesus and the good news that brings is the reason that we celebrate. Present giving and excitement are all part of the season and rightly so and as a church school we enjoy them whilst placing Jesus's birth at the centre.*

*Rev'd Mark joined us for the service bringing his usual infectious encouragement to join in with prayers and singing to his guitar. He even shared some seasonal jokes of the cracker variety!*

*I felt proud to be a governor of Ashton School as everyone went out of church happy having enjoyed their Christmas service.*
