## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Lunchtime sports club run by sports coach once per week.	Encouraged children to have more active playtimes	Multi-skills sessions offered which were accessible to all year groups.
Continuation of REAL PE as a legacy school	Sustainable resource to support teachers in their delivery of PE sessions in school.	Support sessions given by REAL PE staff from Create Development to deliver model lessons and observation/coaching opportunities for staff delivering PE lessons to mixed age classes.
Involvement in the EWS Sports Partnership	Opportunities for our children to compete in a range of sports events with other schools in the cluster.	This has sometimes been tricky due to the small number of children on roll and the ability to have a big enough team to compete in events.
