## From Mrs Busari

Next week is SATs week in school for our Year 6 children. They have been working really hard to prepare for the tests and know that they will all try their best. The tests are running Monday to Thursday in the mornings. In order to support the smooth start of the tests, please ensure that children are in school on time. Year 2 will be doing their SATs over the next couple of weeks, these are more informal with children not having to sit the tests on specific days.

We are starting to plan our Jubilee playground party. This will be on Thursday 26<sup>th</sup> May from 2pm in the playground. Parents are very welcome to come and join us. We will be enjoying some refreshments and celebrating this special event.

To mark the jubilee there are also a lot of events going on in the village. Please see the details in the box. As part of the school, we are all welcome to join in the events with our village community.

I hope you all have a lovely weekend and I look forward to seeing you in school next week.

Best Wishes

Jude Busari
