Mon 5th September – First day back

From Mrs Busari

It has been such a lovely week in school with lots going on. Firstly our Infants went to EWS on Monday for a sports morning and were real super-stars. Then our outstanding Djembe performance on Tuesday by the Juniors which the drums teacher said was amazing. I was sorry to miss it.

On Wednesday we took our Year 6s to Wicksteed for a lovely day on the rides. They were a pleasure to take out and really gel well together as a year group. Thursday saw our sports morning, which was enjoyed by all, and the end of the day our budding entrepreneurs sold their products from their mini-enterprise project. Proceeds from their mini-enterprise will be used for some treats next week for the whole school.

Today we are having a more “normal” day in school for a rest! Well done everyone this week. Seeing all the children showing our Ashton values this week in all they have done, makes us all so proud of our school.

Thank you to everyone who supported our Mufti Day last week, we were delighted to raise £118 for Shine charity and have paid this in. Hannah, Abigail and Elouise would like to shout out to you all to say thank you for supporting them and I am sure the thought of our support will spur them on in their upcoming triathlon.

Next week, our last week of term is a more normal week. We have the anticipated heatwave at the start of the week, please ensure children are in cool clothes (non-uniform is fine) and that they have sun cream applied. We will keep them in at lunch on Monday and Tuesday when the temperatures look set to exceed 35 degrees. Our big event next week is the Leaver’s service and picnic on Thursday. This will start at 11.30am in the church for a service which will last around 30-45 minutes. We will then collect our packed lunches from school and head down to the rec for a picnic. Please ensure your child has a packed lunch from home this day. Parents are welcome to join us. Once the picnic has finished (around 1.30pm) children can return to school or leave for the day with parents, but please ensure you have told a member of staff if you are taking your child home. We will then have a more normal Friday for the last day of term in school.

This will be our last newsletter of the school year and our last celebration assembly today. Lots of information this week and if you need any further information, please let us know.

Thank you all for your support this week at the different events, it is much appreciated.

With best wishes

Jude Busari
