From Mrs Busari

This Friday we have our friends from Cosgrove coming to join us for an Olympics themed day (weather dependent). The children will be working alongside Cosgrove children, doing some craft and participating in some fun sports activities. Please note, **children should come in wearing PE kit and bring a packed lunch**. If it is raining, the plans will be amended and Cosgrove will not come, as we don't have the indoor space to accommodate everyone all day at Ashton.

A reminder to our KS2 parents – the children have been working hard in their ukulele lessons – they have their performance on Thursday at 9.15am for anyone who would like to come along and spectate.

Also, a reminder to our Year 6 children going to EWS, you have your additional transition morning on Tuesday. Children should be dropped off at EWS at 9.15am and then collected at 1pm. They can then either return to school or go home – but please let us know what you decide for your child so that we have accurate records for the register.

Finally, with the forecast looking slightly more promising over the next week or so (fingers crossed), children can bring in sun hats and have 8 hour sun cream applied before school to ensure that they stay safe when out playing in the sun.

I hope that you all have a lovely week in school.

With best wishes,

Jude Busari
