It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	60%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	80%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: £8000		Date Updated: September 2021	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					7%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To maintain and provide sports equipment for active playtimes for all.	Provide quality resources for pupils to use during their playtimes and lunchtimes. Ensure equipment is well maintained.	£894	Pupils have active playtimes with plenty of equipment available.	Continue to monitor and maintain equipment regularly.

What has changed?:	Sustainability and suggested next steps:
Pupils are taught the key principles of agility, balance and co-ordination through the progressive approach of the REAL PE programme of study. Additional learning foci taught within the scheme are: Personal, Social, Cognitive, Creative, Physical and Health and Fitness which are transferable skills in life.	Working as a REAL Legacy school with Create Development, we will work alongside the consultant to introduce and implement the REAL PE scheme. Staff training opportunities to be planned in. Class teachers and school leaders to gain an understanding the progressive nature of the scheme and use this effectively within mixed age classes.	£8000	Pupils have a clear learning focus and are becoming more adept at giving feedback and what skills to focus on. Teaching is concentrated on skill development which are transferable to a range of sports. The focus in school has moved away from teaching a sport, but to teaching a skill that is then practised in a variety of sports. Children are beginning to learn independence and resilience in their own learning. Children have greater ownership of their learning.	School to continue to be a REAL Legacy school and develop opportunities with REAL Gym and REAL Leaders.
